REQUEST FOR PROPOSAL
DAM INSPECTION
TOWN OF BETHLEHEM

The Town of Bethlehem has been notified by CT DEEP of its requirement that the Long Meadow Pond Dam, Hazard Class BB, is due for its 7-year inspection. The ID is CT Dam ID# 1006.

The Town is now seeking proposals from qualified firms to perform a regulatory inspection in compliance with CT DEEP's Dam Safety Inspection Regulations.

Sealed proposals will be received by the Board of Selectmen until 10:00 A.M. Tuesday February 17, 2015 at the Selectmen's Office, 36 Main Street South, Bethlehem, CT 06751.

Firms submitting a proposal should include the following:

- 1) Letter of interest.
- 2) Company brochure/literature relative to dam inspections.
- 3) Listing of Dams recently inspected in accordance with CT DEEP requirements.
- 4) Resume's of personnel to be assigned to the project.
- 5) Proposed timetable for the project showing dates for inspection, report preparation, comments and final submission to CT DEEP.
- 6) Proposed fee for the work to be prepared.
- 7) Proposals should include an example of a typical dam inspection previously approved in accordance with CT DEEP requirements.

The selected firm will be required to provide the Town with an insurance certificate prior to a "notice to proceed" being issued.

Written questions will be accepted until the close of business on February 3, 2015 and shall be directed to Leonard J. Assard, P.E., First Selectman, P. O. Box 160, Bethlem, CT 06751 or lassard@bethlehem.ct.org.
